| Between 13/02/2020 and 18/01/2021 external medical camps were not held due to the Covid pandemic. However, treatment of patients from marginalised communities in the vicinity of the clinic continued free of cost | | | | | | | | |
| The external eye camps were subsequently re-started on 18-01-2021 with all necessary medical precautions and social distancing | | | | | | | | |
